DHH Attorney Kenny Beck offers law services to Hispanic Market

We are proud to offer legal services for Spanish speaking clients! Kenny Beck, attorney with DHH, is fluent in Spanish and English. During college, Kenny spent a semester abroad, living with a family in Mexico, where he immersed

himself in the culture and language of the community in which he lived.

Originally from Warrensburg, Missouri, Kenny received his Juris Doctorate from the University of Missouri-Columbia in 2015. Prior to that he earned his Master of Business

Administration as well as a Bachelor of Science degree from the University of Central Missouri in Warrensburg. Kenny has since had the opportunity to provide bilingual legal services to Spanish speaking families in southwest Missouri and specifically in the Monett area. Through the development of community outreach, Kenny participated in the Latino Resource Fair on behalf of DHH. The highlight of the evening was giving away bicycles to two lucky kids in attendance!

If you know someone whose primary language is Spanish and is struggling with a legal issue or simply wishes to better understand the U.S. legal system, please share Kenny's information with them today.
